SHINE THROUGH YOUR EYES

By

**DR. JAMES
R. GORDON**

NEW YORK / WESTCHESTER, NEW YORK

award-winning

oculoplastic surgeon and board-certified ophthalmologist Dr. James R. Gordon has more than 16 years of extensive experience in eyelid and facial rejuvenation. Dr. Gordon has successfully performed thousands of cosmetic surgeries and is dedicated to performing every procedure with the latest innovative technologies aimed at enhancing each patient's natural beauty. "I love to help my patients age gracefully throughout all stages of their life," he says. Dr. Gordon has been recognized in the media for his expertise in eyelid surgery and minimally invasive techniques that lift and rejuvenate the aging eyes, enabling patients to look and feel their best.

“

*I love little
refinements that
create the most
dramatic results.*

WHO I AM

1.

WHAT FASCINATES ME MOST ABOUT THE EYES

We smile and make the first impression with our eyes; the right treatment around the eye area can rejuvenate our look and our lives

2.

MY SIGNATURE PROCEDURE

Blepharoplasty combined with the use of fillers and lasers—this approach takes years off a patient's face while maintaining a natural appearance

3.

WHAT MOTIVATES ME

Seeing my patients happy—there is no better reward

4.

MY CONSERVATIVE APPROACH

Less is more—I only perform a procedure if I truly believe I can achieve outstanding results

5.

HOW I DEFINE GREAT RESULTS

The best cosmetic procedure goes unnoticed; you should look refreshed, not different

6.

MY PROFESSIONAL HONORS

Being named as a "Top Doctor" by Castle Connolly, a "Top Doctor" by Westchester Magazine, a "Top Doctor" by RealSelf as well as "Most Compassionate Doctor" and "Patient Choice" by Vitals

7.

MOST MEMORABLE PATIENT REACTION

"You have lifted my eyelids and my spirits! I haven't looked this good since my 20s!"

8.

MY LATEST ACCOMPLISHMENT

Combining ophthalmology and eyelid surgery to develop Drop N' Lift™—a method to instantly lift a drooping eyelid with an eye drop

Dr. Gordon also trains other physicians around the world on new technologies.
